Superintendent G. E. Anderson has spent a portion of his time while in the city advising with the local school men concerning a county meet at Tonopah to be participated in by all the grade schools of the county.

Superintendent Anderson introduced this annual county affair in Elko county where it has become the big event of the year among the schools of the county. He found the local school men ready to take hold of the proposition for Nye county and it seems probable that arrangements will be made for such a meet if the other schools of the county can be interested.

If it proves a feasible plan contests will be arranged not only in field and track, but in some one scholastic line or more, and probably in some specialty in domestic science.

Such a meet would bring all the schools of the county into closer relationship with each other and it cannot fail to aid the schools in their march of progress.

If the meet is held it will be some time late in May.

The matter was suggested to the Tonopah eighth grade and they are more than interested in the prospect.

PRESBYTERIAN ANNUAL WILL BE HELD NEXT WEDNESDAY

The Sunday school children of the Presbyterian church are practicing their Easter music under the instruction of Mr. Kanouse.

The subject of Sunday morning sermon was "God's wise man." Whose qualities are set forth in the third chapter of James, the seventeenth verse.

Mr. Bayless sang a solo as the special in the music.

Christian Endeavor service as usual at six thirty. Miss Arleen Dalzell was the leader. The topic was "The Consecration of Time." Several members gave short talks on the subject.

Communion service was held in the evening. Three new members were received into the church. The subject of the evening sermon was, "Christ—the only mediator between God and man." Text, 1st Timothy, 2:5.

Miss Harris sang a solo and Mr. Kanouse played a solo on the baritone horn.

The annual meeting is to be held Wednesday evening at 8:45. Reports for the past year from the various branches of the church work will be read and the election of trustees and one elder will constitute the business portion of the meeting. There will be a short program and some refreshments.

All who are at all interested in the church work are cordially invited, as there will be a pleasant social time after the business session.
